

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The newspaper/broadcast

cross-ownership cap is a crucial element of our democratic media, and it should not be weakened.

A media in the hands of one or two huge corporations is not a free or democratic media. Please do not loosen the rules which protect diversity in the media.
